PEP stands for Personalized Employment Plan, which means it is a method to help you find a job that fits your specific work preferences and skills. No one wants a job they dread going to day in and day out, so finding employment that matches your personal likes and dislikes is essential.

PEP Talk gives you the opportunity to work one-on-one with a Workforce Consultant to help you focus your efforts on the areas of interest to you and how to get the most out of your job search. You'll be armed with all the tools and knowledge you'll need to find fulfilling employment now, and in the future.
